

List of equipment

shovel
rake
hoe
claw hammer
bolt cutters
wire cutters
water buckets
ax
rope
flashlight - batteries
human first aid kit and any medications you may need.

PERSONAL ITEMS

- medication, aspirin, sports rub, whatever.
- water
- hand held food, fruit, energy bars, sport drinks, canned nuts, crackers, peanut butter, whatever
- you like and won't spoil and can sit in your TO GO pack.
- Cotton long sleeve shirts, cotton long pants, socks, cotton bandanna, try to find boots with soles of leather or something that won't melt if you step on ash or hot ground.
- A change of clothing could make you a lot more comfortable if the operation lasts a while.
- Comfort items. This will depend on the person. Moist towelettes, wash clothes in a zip top baggie, add water and you've got a cool wipe down. Instant ice packs to cool off. Spray bottle/mister. Paperback book, pack of cards. Small pillow. A couple of small items to make life easier.
- Consider buying face masks or a respirator.

- **Items to consider adding**

- Chainsaw
- loppers
- burlap bags
- machete

- pry bar

WORKING KIT

- clipboard with checklist and logs. A pencil. You can use a pen but you must have a pencil.
- Noah's Wish animal ID forms
- livestock paintstick (1.00 or under at Lazy Y)
- permanent markers
- rolls of duct tape
- metal rimmed tags (Office Max, most stores w/office supplies)
- rope
- extra leads and halters, cages. Collars, any rope to use as leashes.
- any ID items we have supplied you with.
- disposable camera or camera
- flashlight and batteries
- charged cell phone
- if you own your own scanner and hand held bring them. Along with extra batteries.
- strong rubber bands to use in attaching ID to manes
-
